

# Health and Safety Policy Statement

## Sperrinview Special School Dungannon

It is the Board of Governor's policy to ensure, as far as is reasonably practicable, that staff and pupils are provided with safe and healthy conditions; and to encourage a safety culture within the school. To assist in achieving these aims the Governors adopt the EA Southern Region Safety Policy.

An inspection will be carried out at least once a year and a report submitted to the EA Southern Region.

The policy and the way it has operated will be reviewed by a sub-committee of the Board of Governors as part of a timetabled, on-going process.
